It is imperative that all transition year students participate fully in all our Ty activities including our annual school musical, our core and sampler subjects, our Ty modules and the integral work experience programme. Students must commit to completing assignments, portfolio work, on-going Ty assignments and assessments as directed by subject teachers and co-ordinator. By signing this form you are agreeing to comply fully with our school Code of behaviour and to participate fully in our transition year programme.

I wish to be considered as a candidate for the Transition Year programme in Seamount College, Kinvara. If successful I agree to comply fully with conditions as set out above,
