

Transition Year Programme (Optional)

Seamount College offers students the option of applying for Transition Year directly after 3rd year.

Applicants for the course are selected based on their application form, their application to their work and their attendance. Interviews for places may take place.

Students follow a daily timetable of core subjects and a range of additional modules which can vary from year to year and may include:

Development Education	Chinese Studies
Driver Theory	Coding
First Aid Certification	Health and Safety Accreditation
Safe Food modules	E-Portfolio
Mini Business	Taster Subjects

Students partake in Work Experience each Wednesday organised from home.

A Musical is staged each year.

Trips are arranged each year to theatre events, activity centres, workplace tours. An optional overseas trip may be offered.

Students are encouraged to take part in competitions on offer, such as,

the BT Young Scientist Exhibition,
Scifest,
Junk Kouture and
Business Enterprise Awards.

Please view the presentation on the [Curriculum page of the website](#) which gives an oversight of the programme on offer in Seamount College.

Also on the [Curriculum page of the website](#) is the TY Application Form.
