This selection is made at the end of 3rd Year/TY, in advance of moving to 5th Year. Students submit preferences 1-6, and every effort is made to ensure all students study their top 3 choices.

Following the removal of subject grouping restrictions, all students also have the option of completing the Leaving Certificate Vocational Programme (LCVP). This means they will study the core and optional subjects above, as well as two extra link modules (*Preparation for the World of Work* and *Enterprise Education*). Please see our website for more details on this programme.
