

Leaving Certificate

The Leaving Certificate Programme runs over 2 years. Students study 7 examination subjects from a wide range on offer.

Our compulsory subjects are:

Irish	English	Mathematics
Career Guidance (Non Exam)	Religion (Non Exam)	Physical Education (Non Exam)

Students will also study 4 Optional Subjects from the following list:

Accounting	Agricultural Science	Art	Biology
Business	Chemistry	Design, Communications & Graphics (DCG)	French
Geography	History	Home Economics	LCVP*
Music	Physics	Technology	

This selection is made at the end of 3rd Year/TY, in advance of moving to 5th Year. Students submit preferences 1-7, and every effort is made to ensure all students study their top 4 choices.

Following the removal of subject grouping restrictions, all students also have the option of completing the **Leaving Certificate Vocational Programme (LCVP)** as one of their 7 subjects. This means they will study two extra link modules (**Preparation for the World of Work** and **Enterprise Education**). Please see our website for more details on this programme.
